The following issues were discussed :

1. Enhancing Quality of Education

It was discussed that the University was accredited with B++ grade during the third assessment held during March 21-23, 2017 with 2.80 CGPA. The grade shall be valid till May 2022.

The Chairman of the Meeting, Hon'ble Vice Chancellor shared his views with all present members that though he is happy that the University maintained its B++ grade, yet he was expecting for better grade and CGPA. It was discussed and agreed that the university shall make all out efforts to procure best grade in the forthcoming NAAC Fourth Cycle.

## 2. Excellence through Technology

It was also discussed and agreed that as per the ongoing trends at national as well as global level, the university needs to blend the ICT with the traditional teaching and research methods to achieve excellence in its academic and administrative processes and system.

It was resolved that the following steps shall be initiated to ensure excellence in academics :

- i. Upgradation and updation of the existing ICT infrastructure
- ii. Assuring totally wi fi enabled campus
- iii. Updating the Meteorological Lab and Seismographic equipment to enhance the research in related fields.
- iv. Upgrading the equipments and facilities in Innovation Centre
- v. Implementation of more ERP modules to ensure effective administrative and financial management and governance in addition to the following :

### Onscreen evaluation

- 1) Online Examinations
- 2) Online Result Processing
- 3) Online Hostel Management System
- 4) Online Student Management System
- 5) Online Payroll System
- 6) Online Grievance Redressal System
- 7) Online Verification
- 8) E tender
- 9) Legal and court cases
