Image: College Login Form

• Enter User Name and Password provided in email and click *Login* button. After successful login page will be redirected to *Home Page* of NOC, as given below:

Image: Home Page of NOC

Before Starting:

"Every user must read/ download the prerequisite of form filling for preparation of NOC. All files given in prerequisite must be saved in Computer System used to upload, and information will be ready to enter as per requirement in the form to save time."

About Working Session:

"Note:Login session is restricted for 20 minutes in idle condition. As user works and action performed by user, the system automatically increases the working session timing; instead a warning message will be displayed when working time span remains 10 minutes."

About Payment Process:

"The payment process of NOC is initialized only when all the required information of College Profile and Organization Detail is fulfilled. If required information of any page is not given, the payment link will redirect to that particular page.

"The payment Process is same as described earlier, Online Affiliation System track and displays all the success and failed transactions (if any), on the payment page."

 Click Fill NOC Form to continue, page will be redirected to College Profile Page, as given below, containing following links:
